# INDIANA IS NOT HOPEFUL

STATE TEAM NOT IN BEST SHAPE FOR GAME WITH MICHIGAN.

Bearlah-News from Purdue, Franklin and Other Teams.

Special to the Indianapolis Journal.

BLOOMINGTON, Oct. 15 .- The Indiana University football team will leave early tomorrow morning for Ann Arbor, where on Baturday it meets the crack University of Michigan team in their annual game. Although most of the regular players will be in the line-up, yet the team will not be at its best, and it is feared the result of the game may be another runaway score for

Wade and Knight got out for some light work last night. They ran signals for a while, but did not get into the scrimmage work against the second team. Neither of them will be able to play more than a part of the game Saturday.

Left Tackle Smith has a badly bruised arm, but it should not keep him out of the

The team will probably line up as follows: Left end, Kent; left tackle, Wade; left guard, Long or Dodson; center, Mendenhall; right guard, Railsback; right tackle, Smith; right end, Ross; quarter back, Johnson; left half, Clevenger; right half, Coval; full back, Knight; subs-Williams, Hare, Jones and Aydelotte.

## Michigan Must Take a Brace to Win Saturday's Game.

The Wolverine warriors did ragged work against the Ohio team, and received much criticism from Coach Yost, who characterized the game as the worst of the season. With this outlook Indiana's hopes ought

to increase 100 per cent. The man most to be feared on Michigan's team is Norcross, the idol of the squad. He was practically nsible for the big score of 65 to 0 on Maddock, the great hurdler, will probably

be in the game with Indiana Saturday. WILL PLAY REGULAR TEAM.

## Purdue Will Use No Substitutes Against Illinois Eleven.

Special to the Indianapolis Journal. LAFAYETTE, Ind., Oct. 15 .- Coach Cutts has inaugurated secret practice again, and yesterday the 'varsity eleven lined up in the rain against a strong scrub team. The work of the backs was disappointing to the coach, and he drilled them for half an 2:0714. hour in offensive tactics. Early in the season it was supposed that the line was the weak part of the 'varsity eleven, but now it develops that the back field is where the team needs bracing. Zimmerman and Holter have both been speedy men, but at present they seem to be slow in forming interference, and have not been as successful in advancing the ball as could be desired. Just what causes the present slump Cutts is working to put new life into the men. With the Illinois game but two days ff, every member of the eleven is playing listlessly. It is probable that there will be no substitutes in the game Saturday, as all of the 'varsity men have recovered from their recent injuries. Cutts may make changes at the last minute, as he is not satisfied with the showing made by one or two of the regulars. Half backs Holter and Zimmerman, although they may start the game Saturday, probably will give way to owry and Adams as the game progresses. The Illinois delegation will arrive Saturday morning at 9 o'clock on a special train over the Wabash. The east bleachers have been reserved for the visitors, and an old-time rooting contest will take place.

# NYERE OUT OF GAME.

## Notre Dame Team Weakened by the Veteran End's Absence.

Epecial to the Indianapolis Journal. NOTRE DAME, Ind., Oct. 15 .- Football affairs were dealt a heavy blow this afternoon when Nyere, the veteran end, was called away by a telegram. Saturday's contest with De Pauw is one of the most important on Notre Dame's schedule, for the result involved her present claim to State championship and every player will be needed. Special to the Indianapolis Journal. CRAWFORDSVILLE, Ind., Oct. 15 .-Coach "Tug" Wilson, of the Wabash football team, made the following statement to-day in regard to the controversy on the Wabash-Culver football game which was

played at Culver last Saturday: "I am loath to discuss anything that has happened on the gridiron, but when such unofficial reports are spread throughout the entire State, as has been the case in the Culver-Wabash game, I cannot pass them up without notice. The play over which the argument started and made by Culver was very brilliant indeed, but it was marred by two fouls. When Culver's right tackle eld the Wabash left tackle in the line to prevent his breaking through and tackling the quarter back, who was holding the ball in the first pass, constituted the first foul. The second was made when the man carrying the ball had broken through the line and the Wabash left tackle was deliberately seized and held by a Culver man, thus preventing the tackle. The final score, as announced by the umpire and referee.

# Franklin Fears Hanover.

was II to 6 in favor of Wabash.'

Special to the Indianapolis Journal. FRANKLIN, Ind., Oct. 15 .- The Franklin football team will play Hanover to-morrow on Franklin Field. Captain Webb who was hurt in the second down in the Shortridge game last Saturday, is still unable to play and Branigan will captain the team. With Webb out of the game the team will be greatly weakened, as it was cuit. last Saturday, and the students are dubious over the results of to-morrow's game. NO MATCH RACE.

# McChesney and Dick Welles Cannot

Be Brought Together. There will be no match race at the Latonia track or any other course this fall between McChesney and Dick Welles. E. C. Hopper, secretary of the Latonia track at Cincinnati, failed to get the owners of the two horses to agree upon a distance. The Latonia failure was brought about through Sam Hildreth's insistence that the distance of the event be a mile and an eighth, while Respess insisted upon a race of once around the oval. Both Hildreth and Respess came out flat-footed for the respective distances and the hitch was so strong that Hopper gave up in despair and gave out the statement that he did not think there was a chance of bringing the wo champions together.

INJURED IN PRACTICE AND MAY NOT PLAY THIS SEASON.

Culver Expects a Hard Game with Shortridge-Training School Preparing for Sheridan.

The Shortridge team has so far failed to take the required brace, and if the men are not out in good numbers to-day the team will have to play the game of its life to win against Culver to-morrow. Frank Doudican was injured in practice yesterday, and will not be able to play against Culver. Doudican injured his left leg while making an end run, and it is feared he will not be able to play again this season. His injury comes as a hard blow to the North Side team, as he was one of the best men on the eleven. The Shortridge second team will play against Danville to-morrow, and is confident that it will land a victory. The team has been playing a fast game, but the members of the second eleven have been almost as delinquent this week as the first team The Shortridge team will play the team from the Central Medical College at Wash-

Culver Expects Hard Game. Epecial to the Indianapolis Journal. CULVER, Ind., Oct. 15 .- The Culver Military Academy team will line up against Shortridge High School Saturday. The cadets have been working hard this week, expecting a hard game with Shortridge. The men are far from being in satisfactory shape. F. Bays and Bemis, the regular half backs, are stiff and sore from the Wabash game, but both expect to be in shape by Saturday. This afternoon the first team lined up for thirty minutes of fierce scrimmage with the second team, and managed, by hard work, to score three times. The game will be played in the morning in order to enable the Shortridge boys to re-

# BAN ON AMERICAN JOCKEYS.

Good Riders Are Being Forced Off the English Tracks.

The three American jockeys now riding in England-the last of the so-called Yankee invasion of the British turf-Danny Maher, Lucien Lyne and J. H. (Skeets) Martin, have been within a fortnight either suspended, cautioned or had races taken away from them for foul riding by the English stewards.

This is the beginning of the end, and in

the near future the heavy, blundering, slow-witted British jockeys will have the riding privileges of England all to themselves. Unable to compete with the American jookeys, who by their superior seat, methods and alert perception of the points in a contest, won race after race and secured the best-paying positions, the English riders began to undermine the work of their rivals by talking scandal. By this means Lester Reiff, Tod Sloan John Reiff and Milton Henry came under the ban of the turf authorities of England

BRIGHT OUTLOOK FOR WESTERN AND CENTRAL LEAGUES.

Richmond Is Having a Hard Time Signing a Fast Team-Work Pro-

gressing on the Auditorium.

President William Foor, of the Central Roller Polo League, is greatly gratified with the reports as to the outlook for the success of the game in the Central League cities. If polo is a go in the Central League cities and the magnates make money, it amount was \$21,060, and President Dreyfus | will be something unheard of since polo has been played in the West. During the first season of polo in the cities now composing and the people had to be educated to the game. in the Central League. Both played with Richmond is having troubles signing a fast team this year. The three men who were thought to have signed Richmond contracts long ago-Bone and Cunningham, Batteries-Lundgren and Kling; Altrock rushers, and Doherty, half back-are holding out for money, and the management of the Richmond team will doubtless have to come to their terms, as the good players are all signed, and it would never do for Richmond to enter the Western League with a second-rate team. With the exception of Dicky Pierce and Frank Wodtke. Bone is the fastest man in the West. The referees in the Western League will be instructed to allow no rowdyism of any description on the playing floor this season. When Bannon signs an Indianapolis contract the local team will be complete, with the exception of a utility man. "Athletic sports of all kinds will be held in the Audiof the heart of the city. The local association lost money last year, but we are con-
